1. Upon posting bond, the Defendant is to be placed on the Conasauga Electronic Monitoring Program and is to wear an approved electronic monitoring device. The Defendant shall not tamper with or attempt to remove or otherwise defeat the electronic monitoring device or monitoring system. The Defendant shall be responsible for restitution to the appropriate entity for any damage to or loss of the monitoring device or associated equipment such as batteries and chargers.
2. The Defendant shall pay a one-time enrollment fee to the monitoring company in the amount of eighty dollars (\$80.00) and shall pay restitution to Whitfield County in the amount of ten dollars and fifty cents (\$10.50) per day of monitoring at a monthly rate of payment approved by the District Attorney.
3. The Defendant shall obey any and all rules set out by the monitoring company and shall be subject to geographic restrictions as set forth below with exceptions only for emergency medical care or if required to return to Court.
4. Upon posting bail and being placed on electronic monitor, the Defendant is to be transported by the Sheriff or Deputy to the Hamilton Medical Center Emergency Room for evaluation and referral by Westcott Behavioral Health Services for inpatient admission and evaluation either in the Westcott inpatient facility in Dalton, Georgia or in such other inpatient facility as may be recommended by the referral. The Defendant is to remain at Westcott or such other facility until further order of the Court and any transport between facilities is to be by a responsible third party mutually agreed to by the District Attorney and Mr. Murray.

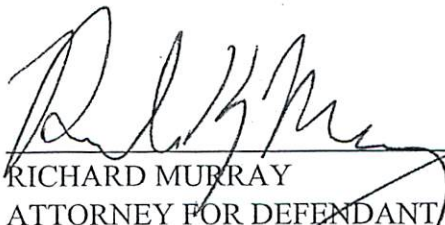

5. The Defendant is to execute a waiver for Westcott and any other mental health facility to which he is admitted under this order allowing such facility to share information with his attorney, with the District Attorney, with the monitoring company, and with the Court as requested.
6. The Defendant, through his attorney, is to notify the District Attorney and the Court should the Defendant be released from Westcott or such other mental health facility as he may be admitted under this order, unless such release is for the purpose of transfer to another facility, and is to return from such facility to the Whitfield County Jail unless otherwise directed by this Court in writing.

9. The Defendant, through His attorney, shall cause to be submitted to the District Attorney, and to this Court, a written report concerning his evaluation at Westcott or such other facility as he may be transferred pursuant to this order so that the Court can consider such report in determining the appropriateness of any future order concerning bail in this case.
